

The New Encyclopædia Britannica

(11th Edition)

Is the Work of Recognized Authorities in Every Department of Knowledge and in all Civilized Countries

THE PRESS OF THE UNIVERSITY OF CAMBRIDGE (ENGLAND)

is issuing the new (11th) edition simultaneously in the United States, England, Canada, India, Australia and Africa

From whatever point of view it be regarded, the Encyclopædia Britannica recommends itself as the proper charge of a university. To those who consider its production, the Encyclopædia Britannica is the most comprehensive exhibition of fine scholarship. To those who consider its use, the Encyclopædia Britannica is, as a work of reference, an indispensable resource, and, as a library of universal information, a powerful medium of instruction for all the English-speaking peoples. As a product of the scientific spirit at work in every department of knowledge the book comes with especial propriety into the keeping of the University of Cambridge.

The following list of 293 out of 1,500 contributors to the new Eleventh Edition will suggest the absence of national bias that has marked the choice of writers for a work that aims to give a fresh and comprehensive survey of human knowledge, the countries represented being England, the United States, Canada, France, Germany, Holland, Italy, Japan; the list will, it is hoped, further show that the traditional position of the Encyclopædia Britannica as the work of writers of unquestioned eminence and authority has been maintained in this Edition.

MATHEMATICS. PHYSICS. ASTRONOMY.

Lord Rayleigh, Chancellor of the University of Cambridge.
Sir J. J. Thomson, Professor of Physics, Cambridge.
Sir Joseph Larmor, Professor of Mathematics, Cambridge.
Sir George Darwin, Professor of Astronomy, Cambridge.
Professor Callendar, Professor of Physics, London.
Sir David Gill, Formerly H. M. Astronomer, Cape of Good Hope.
Dr. Simon Newcomb, Late Professor of Mathematics, U. S. Navy.
Dr. G. E. Hale, Director of Solar Observatory, Mount Wilson, Cal.
Dr. Poynting, Dean of the Faculty of Science, University of Birmingham.
Dr. Eppenstein, Member of Scientific Staff, Zeiss Optical Works, Jena.
Major MacMahon, Deputy Warden of the Standards, Board of Trade, London.
Professor Mathews, Late Professor of Mathematics, University of Wales.
Professor Lamb, Professor of Mathematics, University of Manchester.
Professor Henri, Professor of Mathematics and Mechanics, City and Guilds of London Institute.
Sir Robert S. Ball, Laureate Professor of Astronomy and Geometry, University of Cambridge.
Dr. J. D. Van der Waals, Professor of Theoretical Physics, University of Amsterdam.
Professor H. F. Baker, Gayley Lecturer in Mathematics, University of Cambridge.
Professor Love, Sedgwick Professor of Natural Philosophy, University of Oxford.
Professor H. A. Lorentz, Professor of Physics, Leiden.
Professor Whetham, Fellow and Tutor of Trinity College, Cambridge; Author of "Theory of Solution."
Sir Alfred G. Greenhill, Late Professor of Mathematics, Ordnance College, Woolwich.
Professor Whitehead, Fellow and Mathematical Lecturer, Trinity College, Cambridge.
Professor Ernest Rutherford, Langworthy Professor of Physics, University of Manchester.
Dr. C. P. F. R. Scientific Staff of the Zeiss Optical Works, Jena.

LITERATURE AND GEOGRAPHY.

Dr. Edmund Gosse, Librarian of the House of Lords.
Mr. Walter Theodore Watts-Dunton, Author of "Aylmer," "The Renaissance of Wonder," etc.
Professor Edgar Prestage, Special Lecturer in Portuguese Literature, University of Manchester.
Dr. George E. Woodberry, Late Professor of Comparative Literature, Columbia University.
Dr. Saintsbury, Professor of Rhetoric and English Literature, University of Edinburgh.
Dr. Edward Channing, Professor of History, Harvard University.
Professor Brandin, Fielden Professor of French and Romance Philology, University of London.
Dr. Robertson, Professor of German, University of London.
Dr. James Fitzmaurice-Kelly, Gilman Professor of Spanish Language and Literature, University of Liverpool.
Algeron Charles Swinburne, "A Study of Victor Hugo," etc.
Dr. Henry Bradley, Joint Editor of the Oxford English Dictionary.
Sir A. T. Quiller-Couch, Author of "Adventures in Criticism."
Mr. Lawrence J. Burpee, Librarian, Ottawa Public Library.
Professor Quiggin, Lecturer in Modern Languages, Gonville and Caius College, Cambridge.

Mr. E. V. Lucas, Author of "Life of Charles Lamb."
Sir Robert K. Douglas, Late Keeper of Oriental Printed Books and MSS., British Museum.
The Right Hon. Viscount Morley of Blackburn, Late Secretary of State for India, Chancellor of the University of Manchester.
Dr. Alfred J. Butler, Fellow and Bursar of Brasenose College, Oxford, Fellow of Eton College.
Dr. Henry Austin Dobson, Author of "Eighteenth Century Vignettes," "William Hogarth," etc.
Sir Richard C. Jebb, Formerly Professor of Greek, University of Cambridge.
Professor Adolfo Bartoli, Formerly Professor of Italian Literature, University of Florence.
John Addington Symonds, Author of "The Renaissance in Italy," etc.
Dr. Trent, Professor of English Literature, Columbia University.
The Rev. Walter W. Skeat, Elrington and Bosworth Professor of Anglo-Saxon, University of Cambridge.
Mr. Arthur Symonds, Critic and Poet; Author of "William Blake," etc.
Dr. Moses Gaster, Chief Rabbi of the Sephardic Communities of England.
Mr. Andrew Lang, Author of "Myth, Ritual and Religion," "History of Scotland," etc.
The Rev. Dr. Lyman Abbott, Editor of the "Outlook."
Senator Chedomille Mijatovich, of the Kingdom of Serbia, formerly Serbian Minister in London.
Professor Alfred-Paul-Victor Morl-Etatio, Professor of Southern European Languages and Literature, College de France.
Professor W. G. Sumner, Formerly Professor of Political and Social Science, Yale University.
The Rev. Henry van Dyke, Formerly Professor of English Literature, Princeton University.
Dr. Charles William Eliot, President Emeritus of Harvard University.
Dr. William A. Dunning, Professor of History and Political Philosophy, Columbia University.
The Hon. Henry Cabot Lodge, United States Senator; Author of "Story of the Spanish War," etc.
Dr. Arthur Doughty, Dominion Architect, Canada.
Dr. Narcisse-Eutrope Dionne, Librarian of the Legislature of the Province of Quebec.

GEOLOGY. CHEMISTRY.

Sir Archibald Geikie, Formerly Director, Geological Survey.
Mr. H. B. Woodward, Formerly Assistant-Director, Geological Survey.
Dr. J. S. Flett, Petrographer to Geological Survey.
Professor Nerst, Director of the Institute of Physical Chemistry, Berlin.
Professor Van't Hoff, Hon. Professor of Chemistry, Berlin, Nobel Prize.
Professor Chamberlin, Professor of Geology, University of Chicago.
Professor Kemp, Professor of Geology, Columbia University.
Professor Salisbury, University of Chicago.
Professor Hodgkinson, Professor of Chemistry and Metallurgy, Ordnance College, Woolwich.
Professor V. B. Lewis, Professor of Chemistry, Royal Naval College, Greenwich.

The following table indicates some of the categories from which the 1,500 contributors have been selected:

Staff (Past or Present) of 81 Universities in 21 Countries.....	599	Presidents and Secretaries of Other Learned Societies.....	53
Staff (Past or Present) of 63 Other Colleges.....	105	Staff of the British Museum.....	47
Chancellors, Presidents, Principals, &c., of Universities and Colleges.....	54	Staff of Other National Collections and Libraries.....	54
Fellows of the Royal Society.....	168	Staff of Observatories, Laboratories, and Surveys.....	47
Fellows of the British Academy.....	57		
By Professions or Occupations			
Ministers, Diplomats, and Government Officials.....	126	Historians and Archaeologists.....	327
Theologians.....	161	Sociologists and Economists.....	72
Lawyers.....	75	Geographers and Explorers.....	64
Physicians and Surgeons.....	75	Biologists and Agriculturists.....	107
Engineers and Architects.....	73	Mathematicians, Physicists and Chemists.....	93
Business Men and Manufacturers.....	62	Geologists, Astronomers and Meteorologists.....	65
Naval and Military Officers.....	79		

INDUSTRIES. AGRICULTURE.

Professor Robert Wallace, Professor of Agriculture, Edinburgh.
Sir Bouverton Redwood, Adviser on Petroleum to the Admiralty, Home Office, etc.
Professor Barker, Professor of Textile Industries, Bradford.
Mr. W. Barton, Chairman of the Joint Committee of Pottery Manufacturers.
Professor Sydney Chapman, Dean of the Faculty of Commerce, Manchester.
Dr. Schindler, Member of Council of the Institute of Brewing.
Professor George Lunge, Emeritus Professor of Technical Chemistry, Swiss Technical College, Zurich.
Professor Edmund Knecht, Professor of Technological Chemistry, University of Manchester.
Dr. L. H. Bailey, Director of the College of Agriculture, Cornell University.
Professor Hummel, Late Professor of Dyeing, University of Leeds.
Professor Fream, Formerly Lecturer on Agricultural Entomology, University of Edinburgh.
Mr. George F. Zimmer, Author of "Mechanical Handling of Material."
Professor T. W. Fox, Professor of Textiles, University of Manchester.
Dr. Voelcker, Consulting Chemist to the Royal Agricultural Society of England.
Professor H. M. Howe, Professor of Metallurgy, Columbia University.
Mr. Lewis Wright, Author of "The New Book of Poultry," "The Practical Poultry Keeper," etc.
Mr. C. T. Jacoby, Managing Partner of the Church Press, London; Author of "Printing," etc.
Dr. Gifford Pinchot, Late Chief of Forest Service, U. S. Department of Agriculture.
Mr. Frank Warner, President of the Silk Association of Great Britain and Ireland.
Professor John Weathers, Lecturer on Horticulture to the Middlesex County Council.
Sir William Schlich, Professor of Forestry, University of Oxford.
Dr. G. F. Kunz, Gem Expert, New York.

LAW.

Professor Henry Goudy, Regius Professor of Civil Law, Oxford.
Professor F. W. Maitland, Late Professor of the Laws of England, Cambridge.
Professor Westlake, Formerly Professor of International Law, Cambridge.
Sir Thomas Barclay, Vice-President of the International Law Association.
Sir Walter Phillimore, Bart., Judge of the King's Bench Division.
Sir Mackenzie Chalmers, Formerly Permanent Under-Secretary for the Home Department.
Mr. John Smith, C. B., Formerly Inspector-General in Bankruptcy.
Professor T. E. Holland, K.C., Professor of International Law, Oxford.
The Hon. Simeon E. Baldwin, Professor of Constitutional and Private International Law, Yale University.
The Right Hon. Sir William Rann Kennedy, Lord Justice of Appeal; President of the International Law Association.
Sir Frederick Pollock, Bart., Editor of the Law Reports.
Professor T. D. Woolsey, Professor of International Law, Yale University.

ECONOMICS AND SOCIAL SCIENCE.

Dr. E. J. James, President of the State University of Illinois.
Dr. C. F. Bastable, Professor of Political Economy, University of Dublin.
Dr. Taussig, Professor of Economics, Harvard University.
Dr. Arthur Twining Hadley, President of Yale University.
Mr. W. A. S. Hewins, Secretary of the Tariff Commission.
Sir Robert Giffen, Late Controller-General of Statistical Department, Board of Trade, London.
Dr. J. W. Jenks, Professor of Economics and Politics, Cornell University.
Professor F. A. Fetter, Professor of Political Economy and Finance, Cornell.
The Ven. William Cunningham, Archdeacon of Ely; Lecturer in Church History, Trinity College, Cambridge.
Dr. W. F. Willcox, Professor of Political Economy and Statistics, Cornell University.
Dr. James Bonar, Deputy Master of the Royal Mint, Ottawa.
Mr. Anselm Williams, M.P., Chairman of Executive of the International Cooperative Alliance.

THEOLOGY. BIBLICAL CRITICISM. THE CHURCHES.

The Rev. Dr. Driver, Regius Professor of Hebrew, Oxford.
Canon Cleave, Late Professor of Interpretation of Holy Scripture, Oxford.
Dr. Sanday, Professor of Divinity, Oxford.
Professor Burkitt, Professor of Divinity, Cambridge.
The Rev. Dr. Estlin Carpenter, Principal of Manchester College, Oxford.
The Rev. Dr. Gray, Professor of Old Testament Exegesis, Mansfield College, Oxford.
Professor Toy, Professor Emeritus of Hebrew and other Oriental Languages, Harvard University.
Professor J. E. Frame, Professor of Biblical Theology, Union Theological Seminary, New York.
Professor J. H. Ropes, Professor of New Testament Exegesis, Harvard University.
The Rev. William Hunt, President of the Royal Historical Society.
Cardinal Gibbons, Archbishop of Baltimore.
Rt. Rev. E. Cuthbert Butler, O.S.B., Abbot of Downside.
Dr. Wilhelm Bousset, Professor of New Testament Exegesis, University of Göttingen.
Father Braun, S.J., Professor of S.J. Theology, University of Bonn.
The Viscount St. Cyres, Author of "Fascist," "Francis de Fénelon," etc.
Father Delahaye, S.J., Joint Editor of the "Acta Sanctorum."
The Rev. Dr. Bartlett, Professor of Church History, Mansfield College, Oxford.
The Rev. J. A. Vane, Professor of N. T. Exegesis, Wesleyan College, University of London.
Professor A. C. McGiffert, Professor of Church History, Union Theological Seminary, New York.
Rev. Dr. D. D. Addison, Examining Chaplain to the Bishop of Massachusetts.
Professor B. W. Bacon, Professor of New Testament Criticism and Exegesis, Yale University.
Professor Williston Walker, Professor of Ecclesiastical History, Yale.
Professor Knox, Professor of History of Religion, Union Theological Seminary, New York.
Professor W. W. Rockwell, Professor of Church History, Union Theological Seminary, New York.
Rev. Dr. J. M. Buckley, Editor of the "Christian Advocate," New York.
Israel Abrahams, M.A., Reader in Talmudic and Rabbinic Literature, University of Cambridge.
Dr. Joseph Jacobs, Literary Editor of the Jewish Encyclopedia.
Mr. Lucien Wolf, Vice-President of the Jewish Historical Society.
Dr. William Bacher, Professor of Biblical Science, Rabbinical Seminary, Budapest.
Professor Morris Davis, Professor of Geography, Harvard University.
Professor R. S. Tarr, Professor of Physical Geography, Cornell University.
Dr. J. S. Keltie, Secretary of the Royal Geographical Society, London.
Rev. George Bryce, President of the Royal Society of Canada.
Professor Coleman, University of Toronto.
Sir Tridit Nansen, Professor of Oceanography, University of Christiania.
Dr. Hugh Robert Mill, Director of British Rainfall Organization.
Professor R. de C. Ward, Assistant Professor of Climatology, Harvard University.
Professor Cleveland Abbe, Research Observer U. S. Weather Bureau, Washington.
Professor J. C. Branner, Professor of Geology, University of California.
Sir H. H. Johnston, Late Special Commissioner and Commander-in-Chief in Uganda.
Lady Lugard, Author of "Nigeria," formerly on staff of "The Times" (London).

GEOGRAPHY AND PHYSIOGRAPHY.

Professor William Morris Davis, Professor of Geography, Harvard University.
Professor R. S. Tarr, Professor of Physical Geography, Cornell University.
Dr. J. S. Keltie, Secretary of the Royal Geographical Society, London.
Rev. George Bryce, President of the Royal Society of Canada.
Professor Coleman, University of Toronto.
Sir Tridit Nansen, Professor of Oceanography, University of Christiania.
Dr. Hugh Robert Mill, Director of British Rainfall Organization.
Professor R. de C. Ward, Assistant Professor of Climatology, Harvard University.
Professor Cleveland Abbe, Research Observer U. S. Weather Bureau, Washington.
Professor J. C. Branner, Professor of Geology, University of California.
Sir H. H. Johnston, Late Special Commissioner and Commander-in-Chief in Uganda.
Lady Lugard, Author of "Nigeria," formerly on staff of "The Times" (London).

MILITARY.

Col. Bethell, Associate Member of the R. A. Committee.
Mr. A. G. Haddock, R.A., Manager of Gun Department, Elswick.
Col. Jackson, C.M.G., Assistant Director of Fortifications, War Office.
Col. Jocelyn, Late Commandant of the Ordnance College, Woolwich.
Col. Maude, C.B., Lecturer in Military History, University of Manchester.
Major-General C. W. Robinson, Author of "Wellington's Campaigns."

FINE ARTS AND MUSIC.

Sir Sidney Colvin, Keeper of Prints and Drawings, British Museum.
Professor G. Baldwin Brown, Professor of Fine Arts, Edinburgh.
Mr. R. Phene Spiers, Formerly Master of the Architectural School, Royal Academy.
Mr. W. R. Lethaby, Principal of the Central School of Arts and Crafts.
Mr. M. H. Spielmann, Late Editor "Magazine of Art."
Mr. Laurence Binyon, Assistant Keeper of Prints and Drawings, British Museum.
Mr. C. J. Holmes, Director of the National Portrait Gallery, London.
Professor J. C. Van Dyke, Professor of the History of Art, Rutgers College.
Mr. E. J. Dent, Late Fellow of King's College, Cambridge.
Dr. Hadow, Principal of Armstrong College, University of Durham.
Miss Kathleen Schlesinger, Author of "The Instruments of the Orchestra."
Mr. Donald Francis Tovey, Author of "Essays in Musical Analysis."
Henri Frantz, Art Critic of the "Gazette des Beaux Arts," Paris.
Walter Crane, J. W. S., Member of Council of Art Board of Education for England.
Dr. Dugald S. MacColl, Keeper of the National Gallery of British Art.
W. A. J. Ford, M.A., Teacher of Singing, Royal College of Music, London.
Robert Ancher, Architect-Paléographe, Architect of the Department of the Eure, France.
Dr. Henri S. Hymans, Honorary Conservator, Bibliothèque Royale de Belgique.
Léon Bénédite, Conservateur du Musée National du Luxembourg; Professeur à l'Ecole du Louvre.

GREECE AND ROME.

Professor Arthur Evans, Professor of Prehistoric Archaeology, Oxford.
Dr. D. G. Hogarth, Keeper of the Ashmolean Museum, Oxford.
Dr. Farnell, University Lecturer in Classical Archaeology, Oxford.
Professor Percy Gardner, Professor of Classical Archaeology, Oxford.
Professor Ernest Gardner, Professor of Archaeology, University of London.
Dr. Eduard Meyer, Professor of Ancient History, University of Berlin.
Sir William Ramsay, Professor of Humanity, Aberdeen.
Dr. Sandys, Public Orator, Cambridge.
The Rev. E. M. Walker, Fellow, Tutor and Librarian of Queens College, Oxford.
Professor Myres, Wykeham Professor of Ancient History, Oxford.
Professor Ride-way, Professor of Archaeology, Cambridge.
Dr. Grant Showman, Professor of Latin, University of Wisconsin.
Professor Babelon, Professor of Numismatics, Collège de France.
Mr. Cyril Bailey, Tutor and Librarian of Balliol College, Oxford.
Professor Conway, Professor of Latin Philology, University of Manchester.
Professor Haverfield, Camden Professor of Ancient History, Oxford.

MEDICINE. SURGERY.

Sir Clifford Allbutt, Professor of Physics, Cambridge.
Sir John Broadbent, Bart., Physician to St. Mary's Hospital.
Sir Lauder Brunton, Bart., Physician to St. Bartholomew's Hospital.
Professor Sims Woodhead, Professor of Pathology, Cambridge.
Professor Robert Muir, Professor of Pathology, Glasgow.
Dr. Edmund Owen, Consulting Surgeon to St. Mary's Hospital.
Professor Brodie, Professor of Physiology, University of Toronto.
Dr. Kirk, Dean of the Dental Faculty, University of Pennsylvania.
Sir Henry Burdett, Author of "Hospitals and Asylums of the World."
Professor Parsons, Lecturer on Anatomy, St. Thomas' Hospital, University of London.
Professor H. Marshall Ward, University of Cambridge.
Dr. Joseph Frank Payne, Emeritus Harvard Librarian, Royal College of Physicians.
Sir J. B. Tuke, Medical Director of the Newington Hall Asylum, Edinburgh.

A REVOLUTION IN PUBLISHING

The Use of India (or Bible) Paper Reduces the Bulky Volume of Previous Editions to a Slender Flexible Volume Only One Inch Thick.

This radical departure from the traditions of 140 years has been justified. The public has quickly set the stamp of its approval upon the India paper format. The ponderous volumes which have always been associated with the idea of an encyclopædia have been replaced by volumes so light that one of them can be held comfortably in the hand. When open the book lies flat. The paper, although so light, is opaque, and stronger than the ordinary book paper heretofore used. It gives an ideal printing surface. The entire set of 29 volumes weighs about 80 pounds, as compared with a weight of about 240 pounds in the ordinary paper edition. The Encyclopædia Britannica, more comprehensive and better arranged than ever, in the new format becomes many times more valuable to its owner, because it can be read steadily and systematically without fatigue.

HISTORY.

Dr. Gaillard, C.B., Late Assistant Keeper of Public Records, London.
Professor Bury, Regius Professor of Modern History, Cambridge.
Professor Oman, Chichele Professor of Modern History, Oxford.
Professor Pollard, Professor of English History, University of London.
Dr. Bémont, Director Adjunct, & Ecole Pratique des Hautes Etudes, Paris.
Right-Hon. James Bryce, British Ambassador, Author of "The American Commonwealth."
Professor Antoine Thomas, Professor of Medieval French Literature, University of Paris.
Professor Adams, Professor of History, Yale.
Mgr. Duchesne, Director of the French College at Rome.
Professor Keutgen, Professor of History, University of Hamburg.
J. H. Round, LL.D., Author of "Feudal England," etc.
Professor Ludwig Von Pastor, Professor of History, University of Innsbruck.
Professor J. Holland Rose, Lecturer on History, University of Cambridge.
Professor Vinogradoff, Professor of Jurisprudence, Oxford.
Dr. Pasquale Villari, Professor of History, University of Florence.
Professor Turner, Professor of History, Harvard.
Professor Gross, Late Professor of History, Harvard.
Professor William Macdonald, Professor of American History, Brown University.
Professor Wrong, Professor of History, University of Toronto.
Professor W. R. Smith, Associate Professor of History, Bryn Mawr College.
Professor Hayes, Assistant Professor of History, Columbia University.
Professor Michael Jan de Goeje, Late Professor of Arabic Language and Islam, University of Leiden.
Professor Robinson, Professor of History, Columbia University.
Professor Osgood, Professor of History, Columbia University.
Dr. Anson D. Morse, Emeritus Professor of History, Amherst College.
Dr. James Thomson Shotwell, Professor of History, Columbia University.
Professor Ewing, C.B., Director of Naval Construction to the Admiralty.
Professor Fleming, Professor of Electrical Engineering, London.
Professor Unwin, Professor Emeritus of Engineering, City and Guilds of London Institute.
Professor Munroe, Professor of Mining, Columbia University.
Professor Robert Peel, Professor of Mining, Columbia University.
Professor Richards, Professor of Mining and Metallurgy, Massachusetts Institute of Technology, Boston.
Dr. Louis Bell, Consulting Engineer; Author of "Electric Power Transmission," etc.
Professor Duncan, Late Professor of Electricity, Johns Hopkins University.
Mr. Howard Adams Carson, Formerly President of the Boston Society of Civil Engineers.
Sir James Fortescue-Flannery, Ex-President of the Institution of Marine Engineers.
Mr. Arthur De Wint Foote, Superintendent of the North Star Mining Company, California.
Professor Dalby, Dean of the Faculty of Engineering, University of London.
Professor Hells-Shaw, Member of the Council, Institute of Automobile Engineers.
The late Hon. Charles Stewart Rolls, Automobile Engineer; British Pioneer in Motoring and Aviation.

BOTANY. ZOOLOGY.

Dr. Rendle, Keeper, Department of Botany, British Museum.
Professor Blackman, Professor of Botany, Leeds.
Sir Edwin Ray Lankester, Formerly Director, Natural History Museum.
Dr. Chalmers Mitchell, Secretary Zoological Society.
Professor I. B. Balfour, Professor of Botany, University of Edinburgh.
Professor Kerr, Professor of Zoology, Glasgow.
Professor Carpenter, Professor of Zoology, Royal College of Science, Dublin.
Professor Osborn, Director of American Museum of Natural History, New York.
Mr. Richard Lydekker, Formerly on Staff of the Geological Survey of India.
Professor Walter Garstang, Professor of Zoology, University of Leeds.
Sir William Henry Flower, Formerly Director of the British Museum of Natural History.
Professor A. G. Tansley, University Lecturer in Botany, University of Cambridge.
Professor Vines, Sherardian Professor of Botany, University of Oxford.
Sir William T. Threlton-Dyer, Late Director of the Royal Botanic Gardens, Kew.
Mr. George A. Boulenger, Assistant in Zoology, British Museum of Natural History.
Dr. A. C. L. Günther, Late Keeper in Zoology, British Museum of Natural History.
Dr. Moss, Curator of the University Herbarium, Cambridge.
Dr. D. H. Scott, President of the Linnean Society; Author of "Structural Botany," etc.
Professor Cunningham, Lecturer on Zoology, Southwestern Polytechnic, London.
Professor David Sharp, Late Curator of Museum of Zoology, University of Cambridge.
Professor G. H. Carpenter, Professor of Zoology, Royal College of Science, Dublin.
Professor Edward Bagnall Poulton, Hope Professor of Zoology, University of Oxford.

ORIENTAL NATIONS AND ARCHEOLOGY.

Professor W. M. Flinders Petrie, Edwards Professor of Egyptology, University of London.
Dr. David S. Margoliouth, Laudian Professor of Arabic, University of Oxford.
Dr. Thomas Ashby, Director of British School of Archaeology, Rome.
The Rev. Henry Archibald Sayce, Professor of Assyriology, University of Oxford.
Professor Morris Jastrow, Professor of Semitic Languages, and Librarian, University of Pennsylvania.
The Rev. J. P. Peters, Canon of St. John's, formerly Professor of Hebrew, University of Pennsylvania.
The Rev. R. W. Rogers, Professor of Hebrew and Exegesis, Drew Theological Seminary.
Professor Hirth, Professor of Chinese, Columbia University.
Professor Prince, Professor of Semitic Languages, Columbia University.
Dr. O. T. Mason, Late Curator of Anthropological Department, U. S. National Museum.
Professor MacIver, Curator of Egyptian Department, University of Pennsylvania.
Rev. Dr. D. B. Macdonald, Professor of Semitic Languages, Hartford Theological Seminary.
Capt. F. Brinkley, Editor of the "Japan Mail"; Author of "Japan and China."
Lt.-Col. L. A. Waddell, Professor of Tibetan, University College, University of London.
Professor Girault, Author of "Principes de Colonisation."
Professor H. A. Giles, Professor of Chinese, University of Cambridge.
Mr. L. V. King, Assistant in Department of Egyptian and Assyrian Antiquities, British Museum.

Illustrated prospectus (40 pp.), 56 specimen pages on India paper, 4 specimen plates, and form of application showing the special advance terms, will be sent by return of post.
